**CHALFONT** St Peter WI reports that their April meeting was well attended and they enjoyed the talk by speaker, John Dunsterville, assisted by his wife, Jane, from Farnham common. The Title of his talk was "Rock and Roll and a rocking chair" which made us wonder what was coming. John described his childhood, the youngest of 5 brothers. His wife passed round photos to show the stages of his career. He is a talented guitar player, but when a boy, started by playing the ukulele. Once he had mastered the guitar he enjoyed playing Buddy Holly, Elvis, and country and Western and he featured on a Peter Sellars Album. Once when young, he went on holiday with £14.00 and returned home with £24.00, earned by busking. He went on to play music by the Beatles and then joined a dance band in High Wycombe. Later he played with Val Doonican, thus the rocking chair in the title of the talk. At the end we all sang "Daisy, Daisy," and "Country Road", which went well.

On **Wednesday 8th May at 2pm**, we will hear about the work of the Donkey Sanctuary from Mrs. Maggie Taylor. We hope to learn a lot about this worthwhile charity and invite visitors to join us in the Parish Church Hall on the 8th. You will be very welcome.

**SATURDAY, 11 May from 10:00-4:00pm Mindfulness: A retreat day with Gayle Creasy** This is an opportunity to learn how to focus the attention of the mind (by concentrating on the body or the breath, for example)—rather than allowing the mind to ‘wander’ as our minds tend to do! This is a powerful tool for training ourselves in concentration, awareness and inner stillness—enabling us to focus the mind intentionally as desired. It is a part of contemplative practice in several religious traditions. This retreat day is an opportunity for learning, practice and feedback on developing this awareness and how we can apply it in daily life.

**IF YOU’RE** a man and you can walk ‘n sing, St Peter Players need you. They are performing ‘Anything Goes’ in July (wonderful silly and funny musical from the Cole Porter Armoury)...songs like Anything Goes, I get a kick out of you. Well they sadly have a dearth of men – so they are looking for guys who can play the sailors...some could even gain lines and other roles such as bartenders, reporters and passengers as well as the all-important sailors...so, if you think you can join a wonderful cast and crew in the brig to perform this summery fun musical, call Tina on [01753 882935](tel:01753882935)....or pop along to the Community Centre In Chalfont St Peter on Gravel Hill. Mondays 8-10.30pm.

Performance dates 11/12/13 July...Rehearsals Monday / Thursday evenings plus four Sundays up to performance building set etc...

Oh, and if you're a lady reading this all crossly because they were asking just for men, actually they need women too...there's the four angels who have some tapping to do....and numerous parts of passengers and so on that join in all chorus numbers and should have a ball and haven't all been cast yet...so...get calling, and pop in...it's a very friendly group and lots of fun...

**KICK** start the summer term with a **free** healthy living programme in Buckinghamshire. With more than 1 in 3 children\* over the healthy weight range for their age and height in Buckinghamshire, the new term is the perfect time for families to take advantage of the **free** MEND Programme (Mind, Exercise, Nutrition, Do it!). The MEND course is aimed at overweight 7 – 13 year olds and their families, and provides an excellent chance to get fit and healthy in summer 2013. The MEND Programme started in April in Amersham, Aylesbury, High Wycombe and Burnham; as part of a national network of over 350 courses which have already helped over 15,000 families improve their diets and activity levels. A limited number of places are available on each course completely free of charge thanks to funding from Buckinghamshire NHS.

Elayne Hughes, MEND Programme Manager for Buckinghamshire said; "The MEND Programme can really change families' lives. Through our healthy living programmes we encourage children to try new things and involve the whole family with ways to make healthier choices and become more active. Children become healthier and fitter while their self-esteem and confidence increase greatly. We hope that this summer families in Buckinghamshire will take up the chance to improve their health and fitness with MEND's fantastic free course."

The 13 week programme includes a series of sessions to get the whole family involved in helping children to change their eating and exercise habits, while learning about nutrition, therefore promoting sustained improvements in overall health, fitness and wellbeing.

As well as finding out about the foods our bodies need to stay healthy, children take part in exciting games and activities and learn how to get fit by being creative with what they do. Everyone has a fun and rewarding time and the whole family benefits.

For more information or to register for the MEND Programme in Buckinghamshire, call the Programme Manager Elayne Hughes on 01494 732020 or 07970 214 760. Call MEND free on 0800 230 0263 or visit [www.mendcentral.org](http://www.mendcentral.org)

#### **Alzheimer's Bee-Friending Scheme**

There are many people with dementia in Bucks who are living alone and feeling isolated. Some of them are housebound and spend most of the week not seeing anyone. Reliable, caring volunteers are needed, who would be interested in providing companionship to a person with dementia in their home or out and about. If you get on well with people and like a good chat you may really enjoy being a volunteer befriender. It is very rewarding and an hour of your time each week can make a real difference to someone's life. Volunteers throughout Bucks are being sought. Good communication skills and empathy are essential. All volunteers will be offered training and out of pocket expenses. More details from Joy Johns. 01895 837545, e mail [joy@voluntaryaction.org](mailto:joy@voluntaryaction.org).

**ENERGY** from Waste contract signed - Buckinghamshire County Council has signed a contract with FCC Environment to build and operate an Energy from Waste plant in Greatmoor, north Buckinghamshire.

The facility will convert 300,000 tonnes of waste a year—that cannot be recycled—into enough energy to power up to 36,000 homes. It will also create around 300 temporary jobs during the construction phase, 64 permanent jobs and 31 further jobs in the supply chain.

The 30-year contract will be funded through an innovative use of construction-only finance and prudential borrowing. Neil Gibson, Strategic Director for Communities and Built Environment, said: "Both the Council and FCC Environment have worked very hard to reach this stage and ensure that Buckinghamshire's waste will be managed more sustainably in the future. The Energy from Waste facility will not only divert substantial amounts of waste from landfill but it will also be saving our council tax payers over £150 million over the life of the contract. We are very excited to be working with FCC Environment to deliver this."

Steven Adams, Cabinet Member for Environment, said: "The Buckinghamshire County Council Energy from Waste project is another example of this council working to protect this county's natural environment, keep council tax bills low and protect investment in other critical frontline services by being innovative and bold. This exciting project is an exemplar of local government at its best."

The County Council named FCC Environment as its preferred bidder for the residual waste treatment contract in 2011, and the Cabinet awarded the contract last July (2012).

FCC Environment Chief Executive Paul Taylor said: "We are delighted to have reached this important milestone with Buckinghamshire County Council, and are looking forward now to delivering the facilities and an integrated service that the county can be proud of."

Construction of the plant is anticipated to start later this year.

#### **CHALFONT St Peter Feast Day - 29<sup>th</sup> June**

Feast Day event will take place on Gold Hill Common on Saturday 29<sup>th</sup> June starting at 10.00am. Over 100 stalls will surround the Fairweather Insurance Arena providing a range of goods, activities and information on local clubs, societies and organisations. There will also be a Fun Fair, Morris Dancing, a traditional Punch and Judy show, a dog show (sponsored by the Goddard Veterinary Group) and a classic car display. The arena will also host several activities during the day including school dancing and gymnastics displays and the classic car drive through.

This year's

The Parish Council stage will showcase a number of singing and dancing acts during the day and is the setting for the evening concert by Ultimate Elton, the UK's leading Elton John tribute act and his band. He will be supported by the band Leech. The evening will culminate with the lighting of the Jubilee Beacon by the Parish Council.

Programmes will be available free from the Parish Church offices in Church Lane and will be being distributed in the village on the 15<sup>th</sup> and 22<sup>nd</sup> June from a stall opposite Budgens in the village. Donations will be sought and every penny raised goes towards local good causes. Programmes will, of course, also be available on the day.

The organisers would like to thank all of the other sponsors for their support – the Parish Church, Gold Hill Baptist Church, Tim's Dairy and Thorpe House School. They are looking to build on last year's success and make this year's event the "greenest" yet and, working with Change4Chalfont and Chiltern District Council, will be seeking to recycle as much litter and refuse as possible from the day. Those attending are asked to dispose of litter sensibly in the bins provided or take it home with them.

Michael Day of the organising committee said: "We have enjoyed fabulous Feast Day events in recent years and, last year, we were able to distribute around £12,000 to local good causes in the community as a result of the activities. We look forward to another fabulous day this year." Full details of the event can be found at [www.feastofstpeter.org.uk](http://www.feastofstpeter.org.uk)
